- The Government defines British values as promoting :
- Democracy
- Rule of law
- Individual liberty
- Mutual respect and tolerance
- At Wentworth Nursery School and Children's Centre we promote British Values by recognising that such values are intrinsic within the Early Years Foundation Stage Curriculum (2021) which we adhere to.
- At Wentworth Nursery School and Children's Centre we see British Values in the following ways:
 - Enabling children to understand the value and ability to take turns (Democracy) for example by sharing resources and expressing their thoughts/opinions/feelings.
 - Enabling children to respect each other and understand right from wrong (rule of law) for example children knowing that we use words and not force if we disagree with others.
 - Enabling children to make choices and recognise some choices may be different to others (individual liberty) for example children valuing and respecting choices made by their peers.
 - Enabling children to respect and value others (mutual respect and tolerance), for example children recognising and valuing children's different play (boys in the home corner, girls using real tools); learning that some cultures maybe different to others but equally should be respected.
